Fireplace By Stone Art

Embrace the enchantment of winter with The Fireplace Collection, where functionality meets artistry in the most captivating way. As the chill of winter settles in, these mesmerizing sculptures not only bring warmth but also become a visual and tactile delight. Picture the allure of cozy winter evenings, wrapped in the soft glow emanating from these aesthetic fireplaces, transforming your space into a haven that celebrates the beauty of imperfection and the timeless charm of raw stone. The Fireplace Collection is more than a source of heat; it's a focal point that adds a touch of sophistication to your festive gatherings. Let the dance of flames and the rustic elegance of these fireplaces create a welcoming ambiance, making your home a sanctuary of comfort and style during the holiday season.

Where Life Rules Everything

Amazing Thailand Luxury...

Caged Christmas Tree By Arjun Rathi Design

The creation of a solid glass Christmas tree employs the cage technique, where strips of glass are skillfully pulled to form a delicate cage. The artist intricately sculpts the tree shape by weaving and manipulating the glass, showcasing expertise in shaping while maintaining structural integrity. The final result is a sophisticated and festive glass Christmas tree that captures the holiday spirit with grace and beauty.
