In the dynamic realm of design, decorative lighting has evolved into a profound expression of individual style and character. Leading this transformation is IDS, a trailblazer in curating exceptional pieces that redefine spaces and enhance experiences.

The piece features silky colours, rounded shapes, hand-blown glass, clean lines, and metals in unique colours, all coming together to create a mesmerizing and poetic movement of light. Each element is crafted for customization enabling one to express boundless creativity and create exclusive and elegant suspensions.

It stands as a testament to illumination, artistry, and refinement. The gentle, flowing forms, handcrafted by skilled artisans, resemble precious gems adorned with exquisite colours, infusing a touch of sophistication into the light compositions. Whether used in residential or commercial spaces, Rouge suspensions add a touch of sophistication and beauty, elevating any environment.

### **About Innovative Design Group**
