

THE LIGHT EDIT

A FUSION OF ART AND FUNCTIONALITY

Innovative Design Studio proudly introduces the **Sense LightSwing** by **Saas Instruments**, a testament to cutting-edge design and exceptional craftsmanship. With a commitment to curating lighting solutions that elevate design narratives, IDS brings this iconic piece to discerning spaces, redefining interiors with innovation and elegance.

The **Sense LightSwing**, designed by Swedish designer Alexander Lervik, is a captivating light fixture that doubles as a functional swing, seamlessly **blending art and utility**.

The Sense LightSwing was created by Alexander Lervik for his 2005 exhibition "**Five Playful Chairs**," which showcased innovative designs blending functionality with playful elements.

- INNOVATIVE CONCEPT
- INTERACTIVE DESIGN
- FUNCTIONAL ART
- HIGH QUALITY MATERIALS

Inspired by children's swings, the **Sense Lightswing** features a transparent acrylic seat illuminated from within by high-powered LEDs, creating a mesmerizing light display as it moves. The transparent seat is illuminated internally, providing a soft, ambient glow that enhances the atmosphere of any room.
