

Light Up Your Love: Perfect Valentine's Day Gifting with IDS

By **altaf** - February 3, 2025

New Delhi, February 03, 2025: Valentine's Day is all about thoughtful gestures and meaningful gifts. This year, make it extra special with a gift that adds beauty, warmth, and style to your loved one's space. Aryaman Jain, CEO of IDS, believes that a lamp can be the ideal Valentine's gift, one that combines beauty, practicality, and emotional significance.

Lamps are not just sources of light but also versatile design elements that can elevate any space. Whether placed on a dinner table for an intimate meal, a bedside table for cozy evenings, a coffee table in the living room, or even carried outdoors for a romantic picnic, these lamps are as flexible as they are stylish.

What makes a lamp a truly thoughtful gift is its ability to stay close to your loved one, bringing warmth and charm to their everyday life. This Valentine's Day, let an lamp light up your love story in the most elegant way possible.

About Innovative Design Group

At IDG, we believe that a space transcends its physical dimensions, becoming an amalgamation of artistry, technology, and purpose. Rooted in the fusion of technology and aesthetics, our expertise extends beyond interiors, encompassing the intricate interplay of crafts and architecture. We specialize in curating environments that exude heightened ambience and refinement, redefining spaces with a holistic approach to lighting that embraces both interior and exterior architectural elements.

About Innovative Design Studio

Innovative Design Studio (IDS) from Innovative Design Group, founded by Vikram Jain, curates an exclusive selection of lights that resonate with true connoisseurs of design. Collaborating with globally renowned brands that redefine elegance, IDS, with Aryaman Jain at the helm as the CEO takes pride in crafting brilliance fusing art and technology and bringing innovative and awe-inspiring lighting solutions. Each light is a masterpiece, a testament to their passion for form and function and the transformative power of light.
