THE MEMORY COLLECTION:
A NOSTALGIC WHIMSY IN LIGHT

Innovative Design Studio brings you **The Memory Collection by Brokis**—an enchanting blend of light and nostalgia. Designed by **Boris Klimek**, this playful series captures the charm of childhood with handcrafted glass forms that resemble floating balloons.

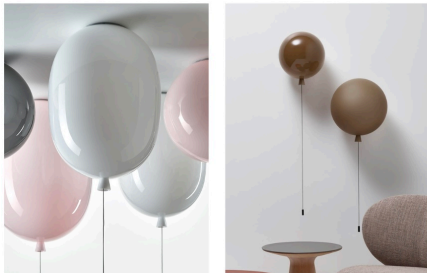

A playful whisper of childhood, forever floating in light.

With a simple pull of the string, each piece illuminates, transforming interiors with warmth, whimsy, and a touch of magic.
